# Balance between movement and exchange

# What we build now

The perfect living  
street?

# What we build now

Is this the perfect Main Street?

# Streets that Respond to Land Use

Streets for People

# Streets that Respond to Land Use

Streets for Business

## Street Safety

Differentiate between street safety and road safety

# Streets in the Public Space Network

- As play spaces
- As gathering spaces
- As Eco-systems
- As spaces for art

# Streets in Healthy Cities

Combine with land use promoting activity, vitality and inclusion.

# Streets can change

Over the length of a route

**Streets can  
change**  
Over time

**Streets are not roads**  
Roads for moving  
Streets for being
