

City Centre Cycle Network

Kathryn King, Auckland Transport

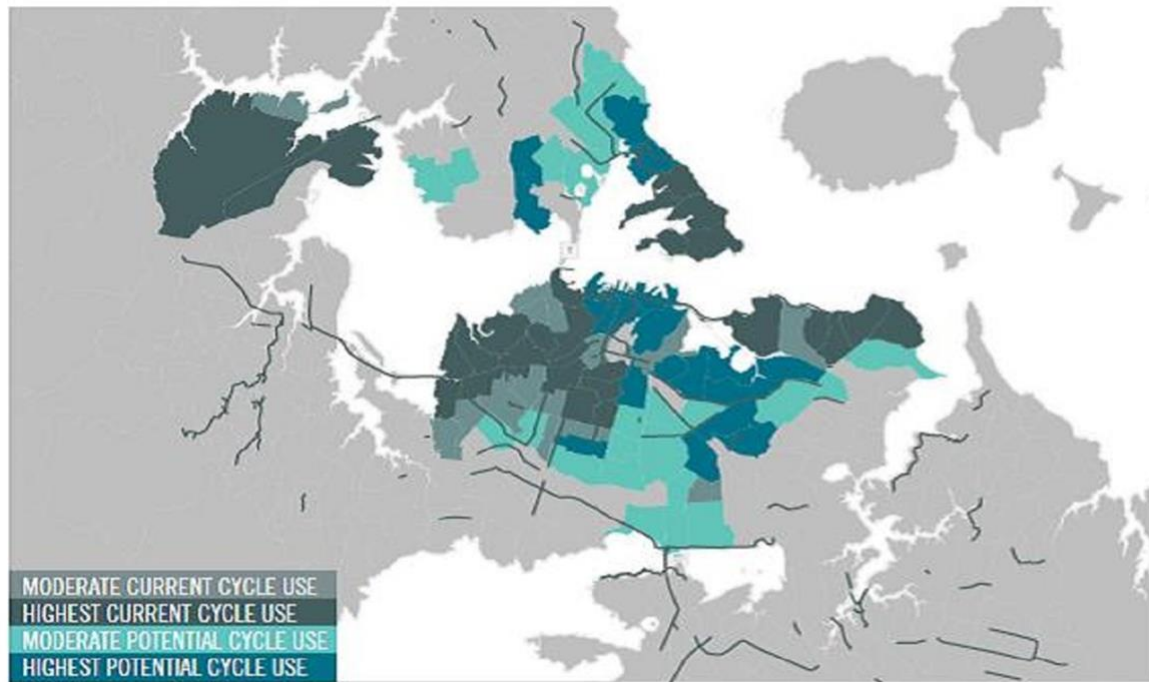

IPENZ - 7 March 2016

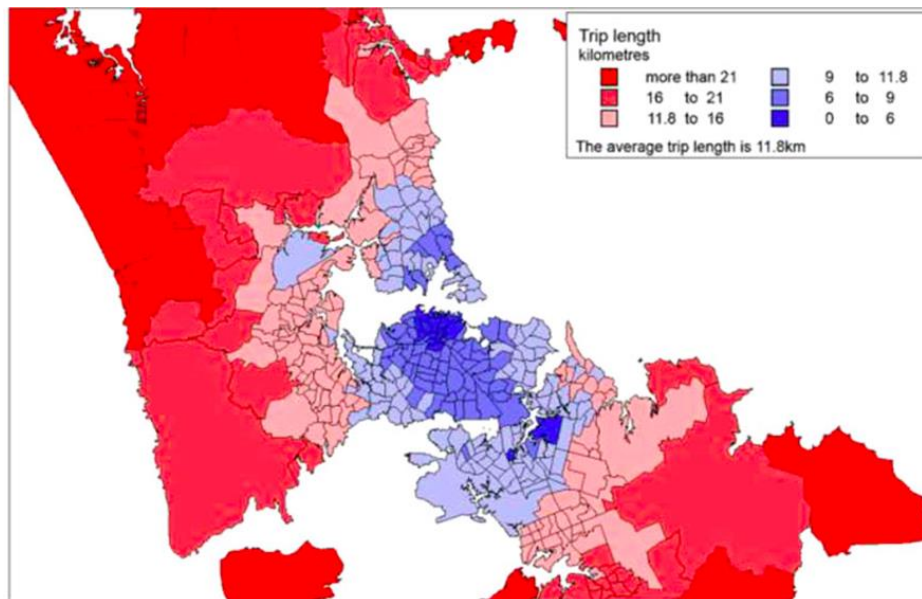

Key Principles

- Providing travel choice for customers
- Demonstrating value for money
- Creating a consistent experience for customers

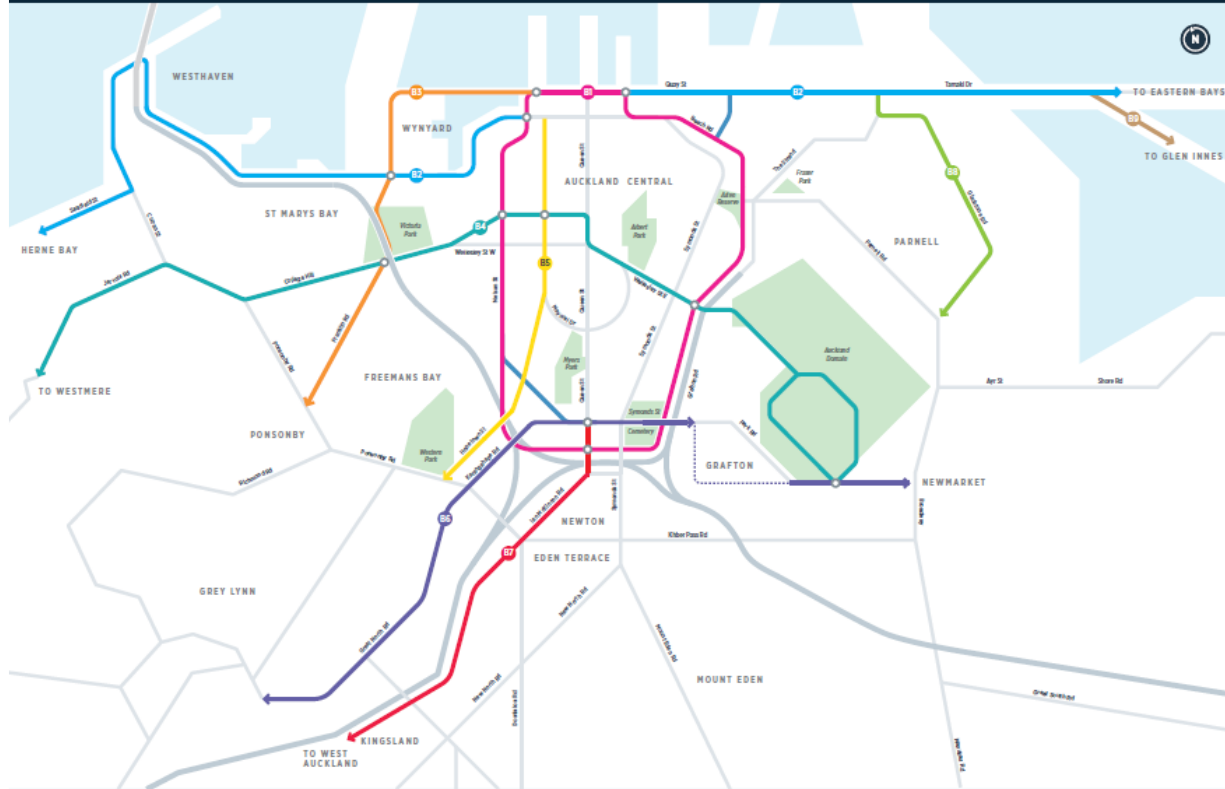

Where is our investment best targeted?

Mapping Rideable Journeys

Auckland Central Cycleways

Te Ara I Whiti

Beach Road

Quay Street

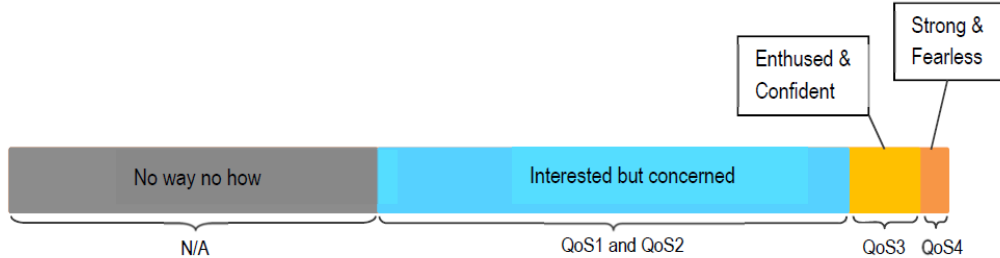

Inner Loop

- Averaging 1000 users per day.
- 400% increase on pre construction.
- 50% increase on Western corridor in past year.

Achieving Consistency

- Safety
- Directness
- Comfort
- Coherence
- Attractiveness

Cycle Path

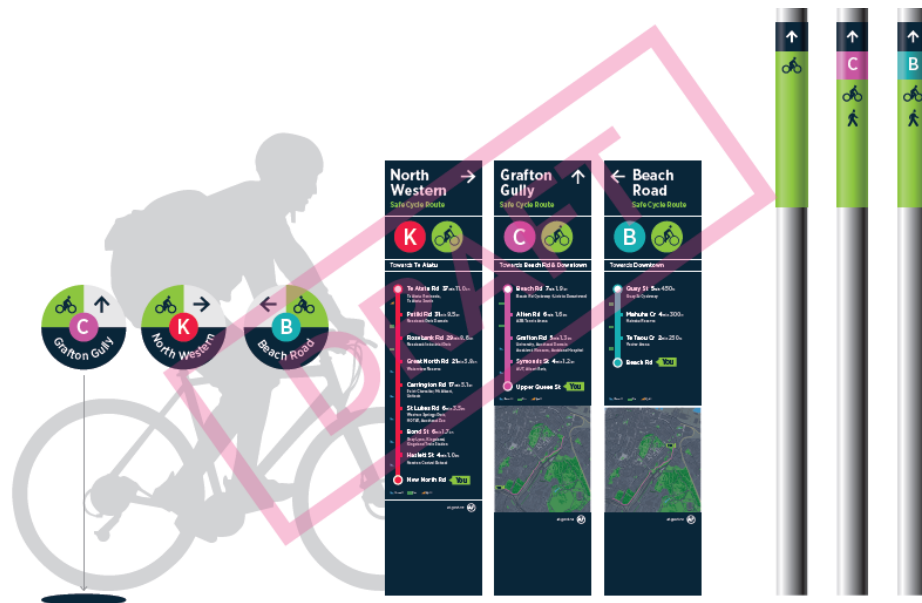

Protected Path

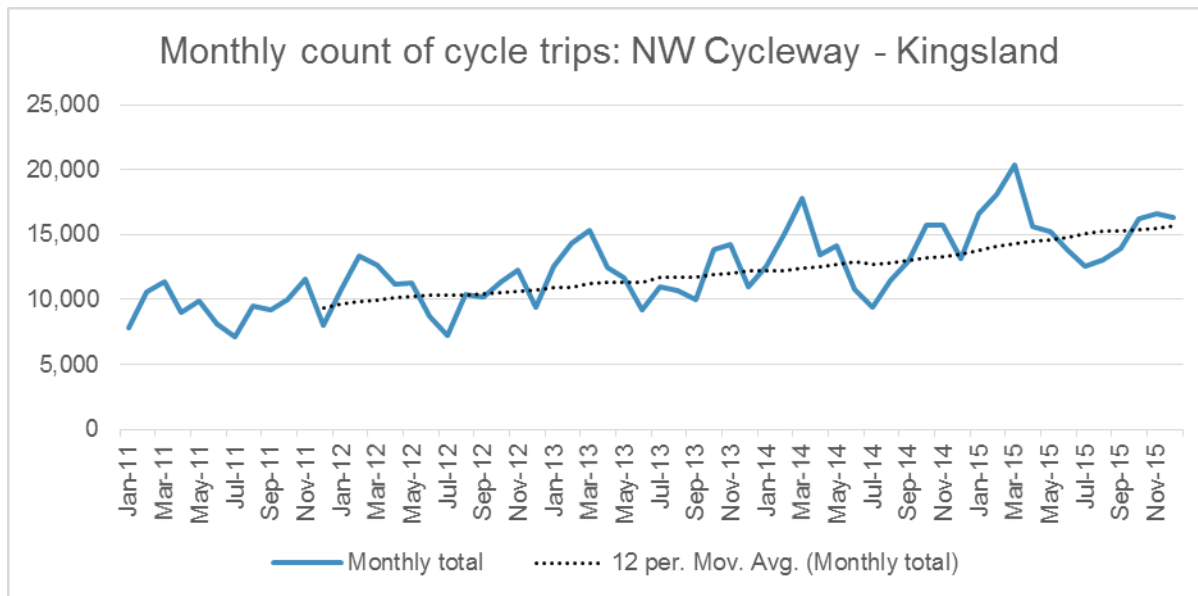

Low Speed

Consistent Wayfinding

Measuring Success

Communicating Our Vision

AKL BIKE LIFE  CYCLING & WALKING
