What we Did and What we Found

Short Term Initiatives

- Signal Phasing Changes
- Extend Bus Lanes
- Bus Head Start
- Minor Intersection Changes

Concern over Hewletts Rd lights

Posted at 10:12am Monday 10 Aug, 2015 | By Andrew Campbell

The New Zealand Transport Agency have admitted to altering traffic light phasing on Hewletts Road in Mount Maunganui following reports that traffic is waiting longer than usual for a green light on Jean Batten Drive and Aerodrome Road.

sunLive has owned up to being so frustrated by the way the lights on Hewletts Road have been altered by NZTA. Photos:

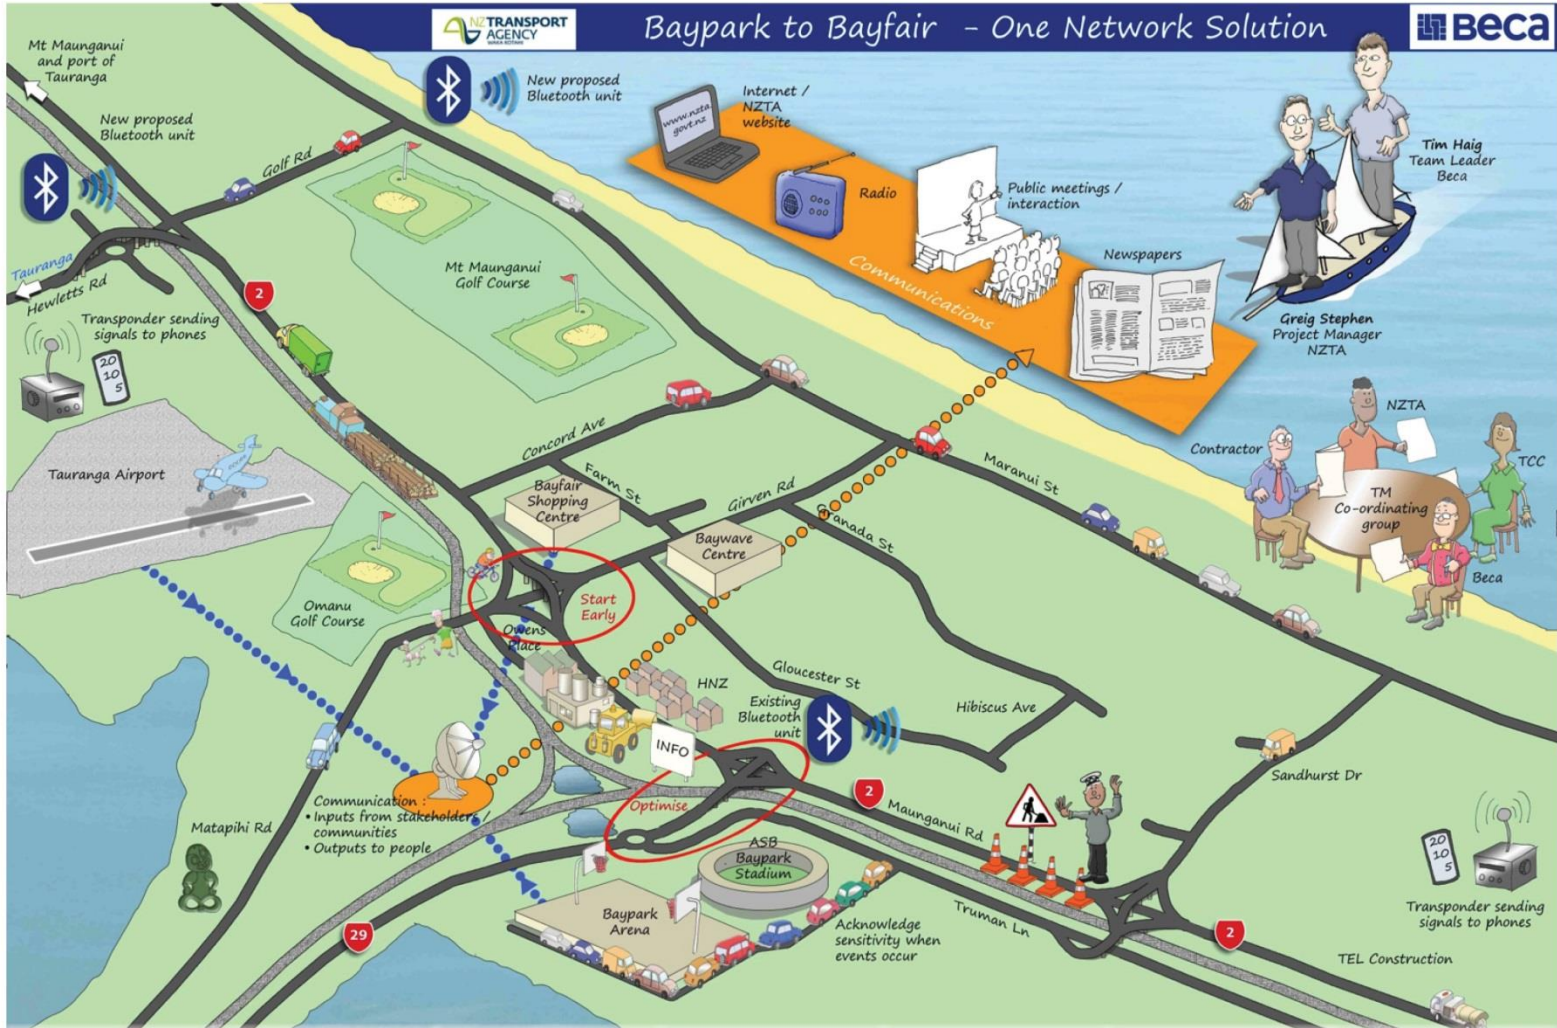

Longer Term Initiatives

- Trial T2 / T3 lanes
- Bus pre-emption
- Commuter bus services (express Park & Ride)
- Intersection rationalisation
