# OGO

With the All Terrain Wheel option, the Ogo is able to tackle soft sand, gravel, rough terrain and inclines. The Ogo is smaller, lighter and faster than most other powered mobility devices.

## **New Zealand population aged 65+ rapidly increasing.**

2036: 23% of population

2061: 26% of population

The background is a complex digital landscape. It features numerous vertical and horizontal lines of varying thickness and brightness, primarily in shades of blue and cyan. Some lines are sharp and bright, while others are faint and blurry. There are also small, glowing particles and clusters of lines, giving the impression of a data stream or a network. The overall effect is one of high-tech, futuristic energy.

**So...  
What's in  
the  
future?**
