

# Towards the Electrification of Road Infrastructure

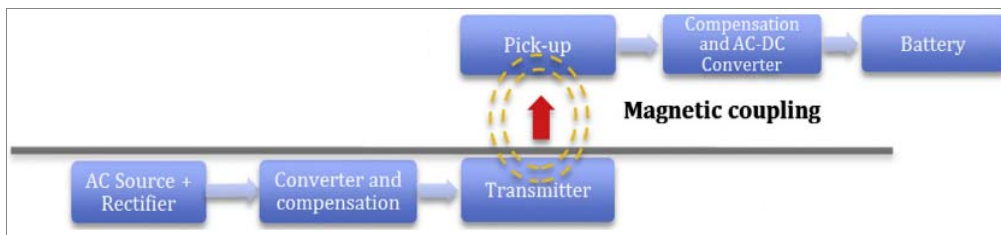

Parichehr Dogani Aghchehghloo, Douglas Wilson, Tam Larkin, University of Auckland, New Zealand

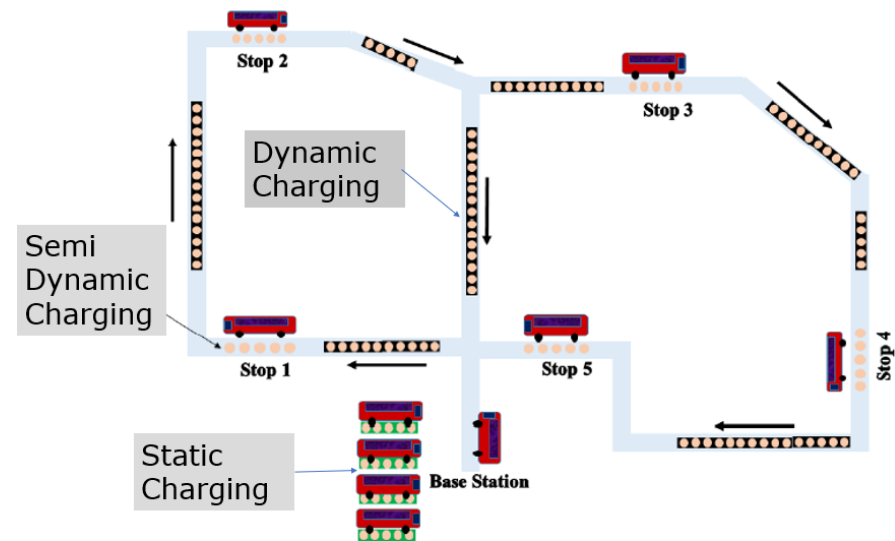

- Growth in population
- Fossil fuels has harmful effects

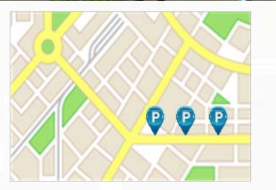

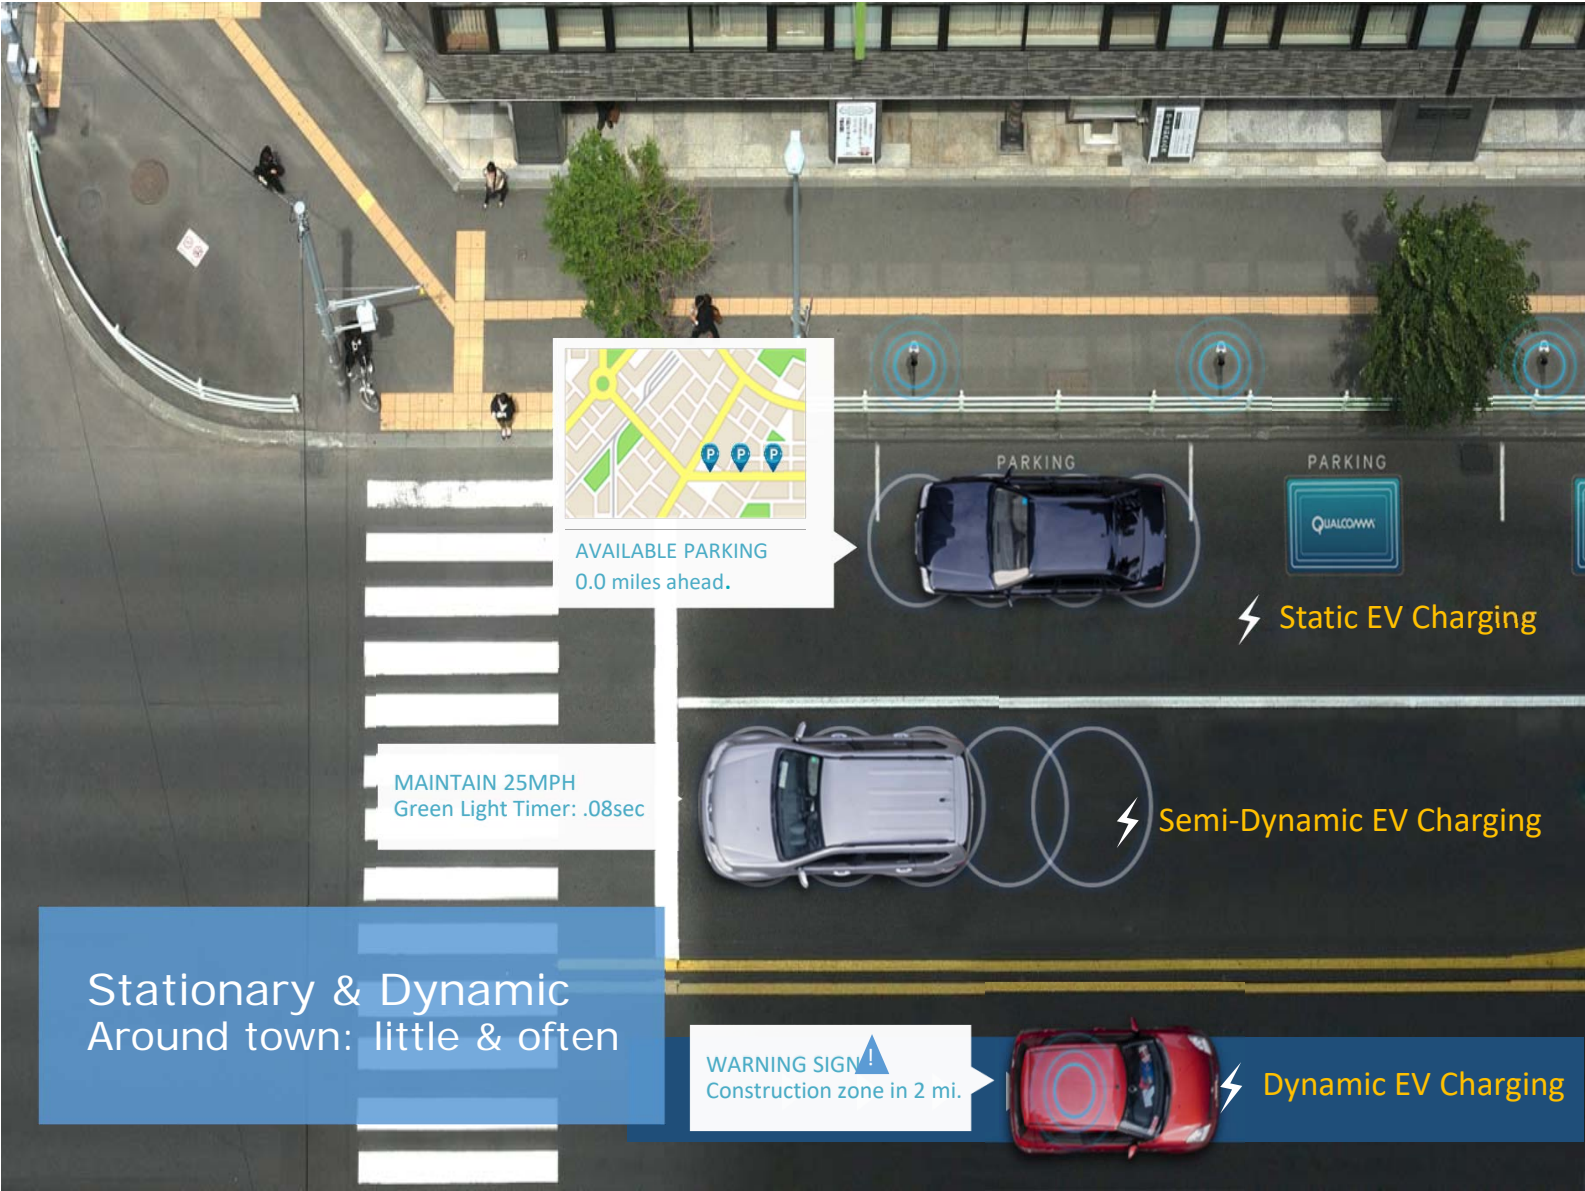

## Wireless Charging of EVs

## Types of Wireless Charging of EVs

AVAILABLE PARKING  
0.0 miles ahead.

MAINTAIN 25MPH  
Green Light Timer: .08sec

Stationary & Dynamic  
Around town: little & often

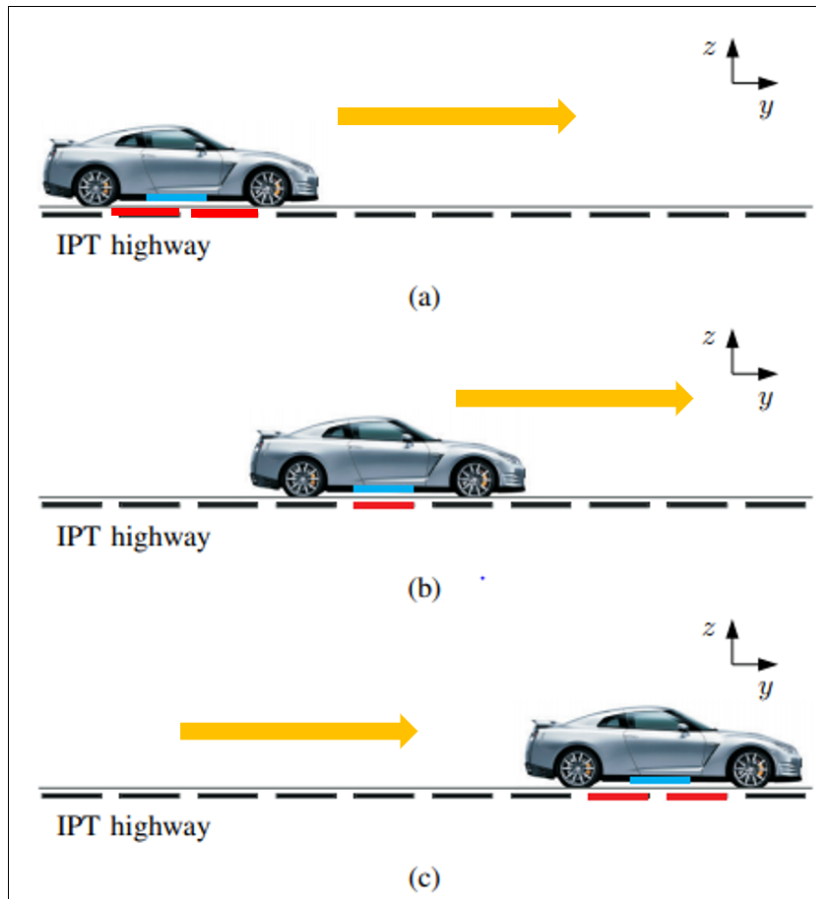

WARNING SIGN!  
Construction zone in 2 mi.

Static EV Charging

Semi-Dynamic EV Charging

Dynamic EV Charging

## Dynamic Charging of EVs

## Challenges and Future work

- High cost
- The electrical performance of the IPT system should not be negatively affected.
- The performance of the pavement should not be negatively affected.

**Thank you**
