USER SURVEY

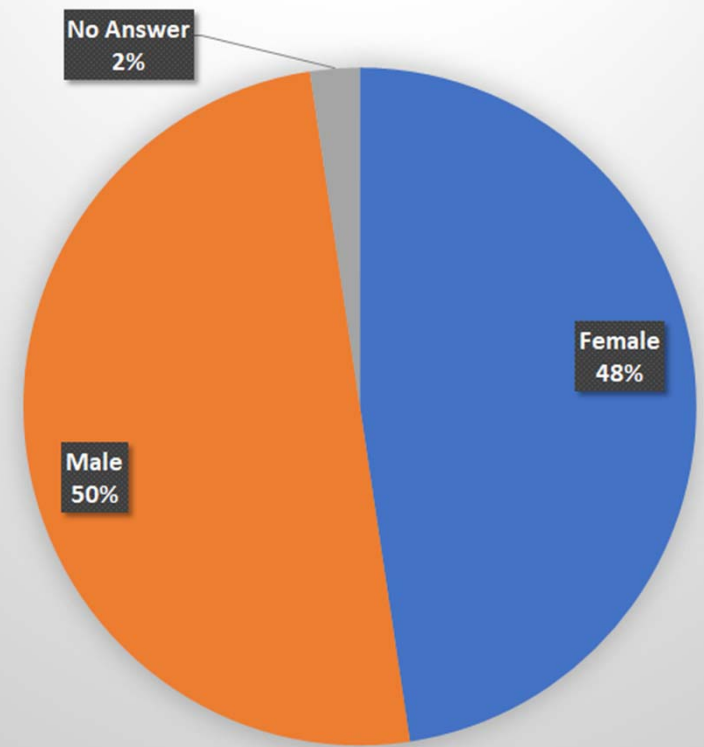

February
3pm - 5:30pm

Sample Size 42
24 People on bikes
17 Pedestrians

Age Distribution of Sample

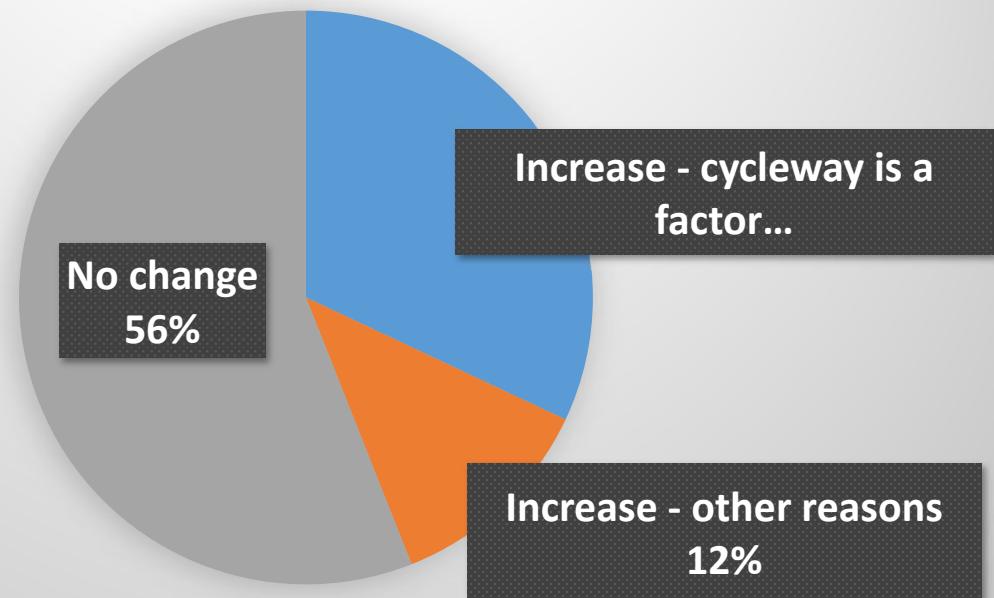

Gender Distribution of Sample

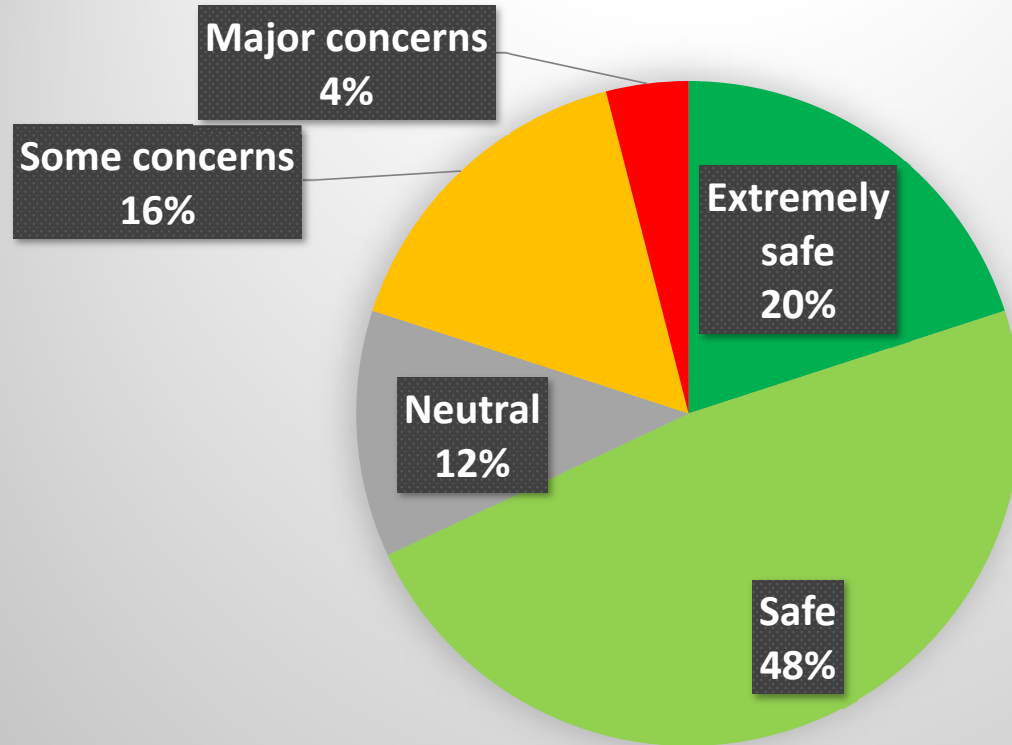

FEEDBACK – People on Bikes

Use of Ferry Road After Separated Cycleway

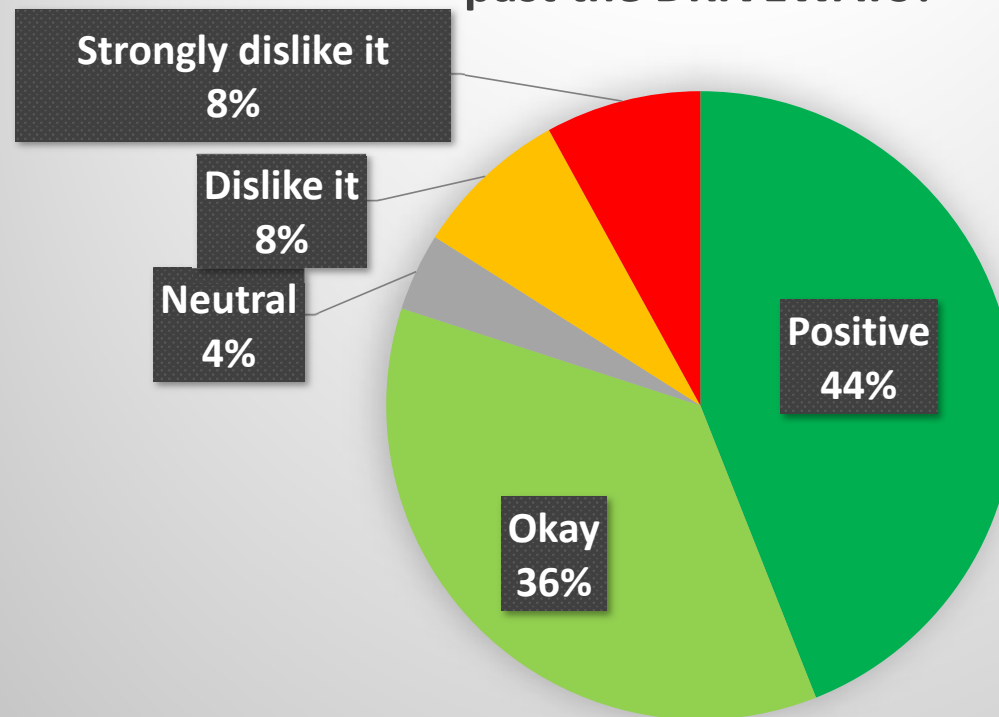

FEEDBACK – People on Bikes

How SAFE do you feel using the cycleway?

FEEDBACK – People on Bikes

What is your experience using the cycleway past the DRIVEWAYS?

At driveways and side roads cars pull out and wait on the cycleway making it hard to get past

FEEDBACK – People on Bikes

What is your experience using the cycleway past the SIDE STREETS?

Strongly dislike it
8%

Dislike it

Positive
28%

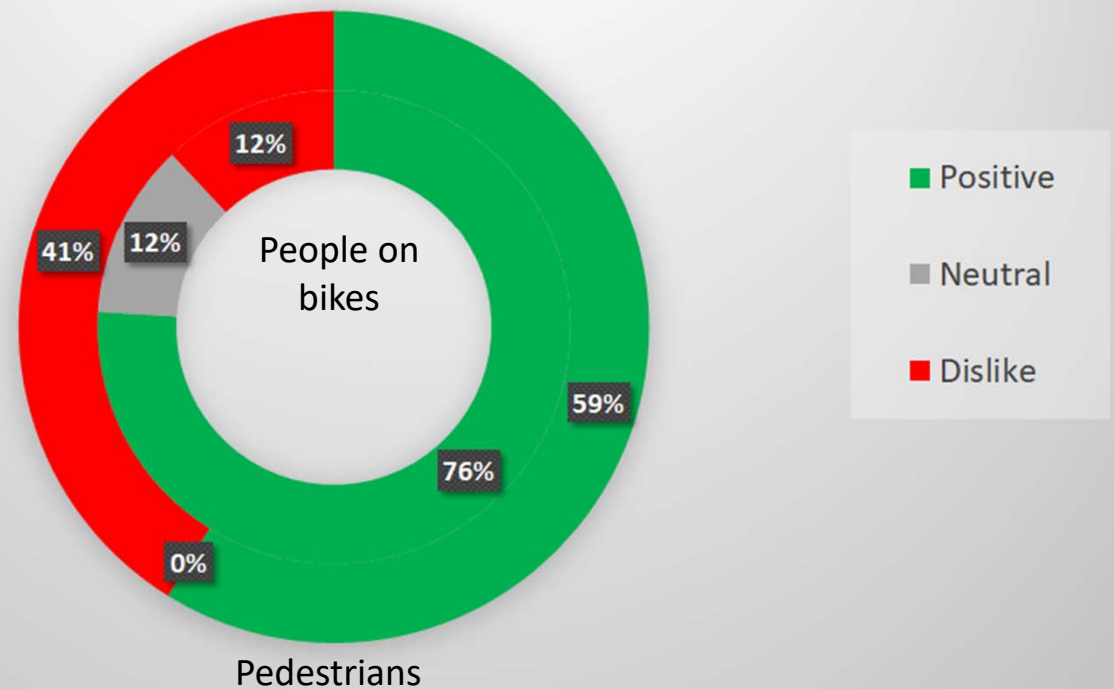

FEEDBACK – Pedestrians

Cyclists whizz passed, very disorientating

Cyclists think they own the path

How do you feel about people on bikes and pedestrians using the path side by side?

FEEDBACK - Businesses

- Parking is a non-issue now

FEEDBACK - Businesses

- Safety at Accesses

Summary

- Consultation Noise – lost ability to address individual concerns
- Optioneering - Challenge constraints eg. Moving kerb, alignment with other projects, budget
- User Experience
 - People on bikes - positive experience
 - Pedestrians – more positive post opening
 - Business – mixed feedback

Thankyou
